You'll experience rural America at its best on this journey into the heartland of the Finger Lakes.

Along the way, a number of roadside farm markets, country stores and tempting wineries invite visitors to stop and enjoy the "fruit of the land."

Discover New York State's largest rural market, the Windmill Farm and Craft Market, featuring items from over 240 vendors. Sample some of the area's finest wine, bottled with pride in the region's largest wine grape growing county. Witness a thriving Mennonite community as they tend to their farmlands and traverse the roadways by horse and buggy.

The best prescription for the stress of modern life is a scenic ride through Finger Lakes Countrysides. Take this tour and we're sure you'll agree!
