Qualifications

Group health insurance is offered at a discounted rate to businesses who live or work in Yates County, whom are not eligible for Medicare and whom insure at least one employee. Enrollment requires membership; the current minimum investment is \$295/year.

Enrollment

A group may enroll in health insurance the first of any month, enrollment in direct plans or on exchange December-January with an effective date of January 1, February 1 or March 1.

Coverage Interpretation

We have NYS Licensed staff on hand to help with coverage interpretation and enrollment. They are trained on the group insurances, direct and on the NY Exchange.
